“Children Helping Children” VACATION BIBLE SCHOOL Mission Project 2007

Please consider taking on Free Will Baptist Family Ministries
as your mission for the week of Vacation Bible School.

We are encouraging your youth to take a
“Hands On”

approach by challenging them
to contribute all their VBS offerings
to help in our efforts to provide for the
daily needs of some very deserving kids.

VBS Celebration

Before school starts back in the fall, Family Ministries will host a
“Vacation Bible School Celebration”, with a cookout & games at the Oaks Retreat Center
for representatives from participating churches to come and present
their VBS offerings to our kids. The date set for our festivities is Satur-
day, July 28, 2007, 11:00 am-2:00 pm, so make plans to join us in this
special project.

Contact us today to accept this challenge of
“Children Helping Children”.
