Safe and sound..

Come and enjoy the "Freedom" of assisted living !
Located in the heart of "The Valley Beautiful," Governor's Bend is a 54-suite retirement and assisted living facility.

We realize the need for quality of life services in a comfortable environment. That is why we offer full service living where residents have the independence of living in their own suites with freedom to do exactly as they like, all while enjoying the safety and services provided by an attentive 24-hour staff.

Our services and amenities are second to none. Our full service program takes care of everything – from delicious, chef prepared meals served restaurant style in our beautiful dining room to a well-rounded activities calendar.
