Our Mission

The mission of Free Will Baptist Family Ministries is to serve and share Christ in order to strengthen and preserve families and provide a loving, caring and secure environment in which to live, work, and grow in the Lord.

Who We Are

Family Ministries is a faith-based therapeutic foster care child placement agency operating in Tennessee. We believe providing a loving and stable home environment is crucial to a child's physical and mental health, ensuring they become successful and productive citizens. Our daily mission is to ensure that the children in our care achieve permanency through reunification, adoption, or independent living.

Our Need

Foster parents possess a vital role in stepping up to be a family to a child who is unable to return home. Foster parents open their hearts, as well as their homes, to children in need of love, support and encouragement. Their influence and guidance are invaluable as a young person struggles to find the right path in life. Every day here in Tennessee infants, children, youth and siblings is waiting for a loving, safe and secure home. They need a safe haven from the storm. You can be the family that can offer shelter from the storm in these children's lives. Here at Family Ministries God is the light house that brings these children out of the storm and to our agency. You can offer these special children a temporary and in some cases a forever home.
